Bank holidays The Bahrain Central Bank has announced that the Consumer Non-Demand (Secured) Banking activity will be supported on 29th and 30th August, 2016 for the first time in six years. A similar declaration of support is due to be made on the 15th and 16th November, 2016. In other words the norm for the past four years, has been to provide no such support at all to the Business Banking activity (called Demand Banking) and to go into an anti-demand mode with the Consumer Non-Demand (Secured) activity, of no interest to customers at all. The return of consumer support will of course be welcome by many business customers and of course would have been more helpful to the GCC countries as a whole if it could have been
