uptick in sales. However, the move is no doubt due to the strength of the Australian dollar, which is currently trading at around 98c, compared to an average of US75c and has more than halved since it hit US\$1.07 in mid-2008. The company's business is still robust, however, and the share price has doubled in the last year. The Sydney-based company produced 23.4 per cent of its 2011 total production costs in the USA, and 75.4 per cent at its China production facility. Hercules said its latest quarterly results, which include its 23.4 per cent profit rise for the first

half of the financial year, were affected by the strong Australian dollar. Each day, most of us are bombarded with messages - all calling to us to make a decision. In the search for gold in the streets of El Segundo, the Los Angeles Police Department is headed by new chief Charlie Beck. The Police Department was one of the most stubborn, dogmatic and reticent police departments, the most like a fire department than a police department that resists change. But the new chief has made a priority of upgrading the department, accelerating the hiring of new
