
Hack Aimbot For Killing Floor

Download

Our GUI is easy to use and it has a nice style. Our Hack is fully undetected and provides you with a fully customizable Aimbot for Killing Floor, with a good play style. You are fully in control and no one can beat you anymore! Just turn it on, start aiming and have fun! Problems that can be met: Same as our Aimbot the game may crash. You can fix this by updating Smooth Aim, Check if the game is up to date, if it crashes after restart the game. If the game crashes again while using the hack menu, try deleting the mutons folder in c:\kf2. If you have steam installed, just reinstall it all times after restarting the game or closing the game. The Update-banner may appear when using Smooth Aim. This can be fixed by deleting "AppData\Local\Killing Floor 2\Temporary Steamfiles" and reinstalling Steam. If the Update-banner appears after using the hack menu try deleting the mutons folder. Problems that can be met: Same as our Aimbot the game may crash.
