## Tales Of Rebirth Psp English Pat

July 26, 2017 - I've been looking for ages, I heard there is an English patch, but i cant find it please help i really want to play the game. ----- hellcat đỖ□° I was in the game when I received the patch. I couldn't find it on Google Play and I think you can try looking for it on Amazon. I was very excited at that moment. (And I'm still on it, I don't know why) ----- Overall, it's quite fun, but it's a little annoying that you have to constantly open the menu and select all the settings for different things, but it's worth it. (It's not as much as the others, but it's great, especially since it's an open world game)
