

Driver Teclado Compaq Kb-0631

Driver Teclado Compaq KB-9963 Compaq Keyboard KB-9963 PS/2 Kb-0631 Tested on. I have a Compaq keyboard that I used to play qwop on the famicom and mame and would like to use it with mine. I have also tried the latest driver but it only works until the screen is switched to off or turns of instead of suspending. I have also tried to replace the keyboard and got the same result, however I had installed the keyboard on a new computer and it's still working fine. I would like to know if any of you can help me. I hope you are doing fine. I have a Compaq keyboard that I used to play qwop on the famicom and mame and would like to use it with mine. I have also tried the latest driver but it only works until the screen is switched to off or turns of instead of suspending.
